EVERYDAY

Nivea Visage Expert Lift Day Care, £16.50 Containing SPF15, this is the perfect addition to the already cut range. Mix with the original serum to double the benefits.

L'Oréal Collagen Re-plumper Day, £12.99 Loaded with collagen, this cream will give your complexion added bounce.

Nivea Visage Expert Lift Day Care, £17.99 This cream contains Squalift, a natural ingredient derived from the aloe plant, that lifts and supports already-aged skin.

Dir Nick Low Super Charged SPF25 Day Cream, £16.95 You don't need to choose between sun protection and moisturising - this all-rounder has age-fighting SPF and nourishing Shea butter.

Olay Regenerist Daily 3 Point Treatment Cream, £30 Hot from the US, this super cream uses Olay's penta-peptide technology and a complex mix of vitamins to ensure parched skin is 'refreshed and plumped'.

La Roche-Posay Redermic XL Daily Fibre Anti-Wrinkle Firming Care SPF15, £22 At last, an anti-ageing cream suitable for fragile complexions. Top-notch UV filters protect super-sensitive skins minus any irritation.

La Prairie Anti-Aging Stress Cream, £110 This is yoga for your skin. The relaxing valerian root, plus a serious dose of moisture, will leave your skin totally blissed out.

Kérastin Rice Lift, £110 Reflect away the years with light diffusing technology. Fine lines will appear smoother and dark circles hidden. It's high-tech magic in a pot.

Clinique Superdefense SPF25, £32 The ultimate damage fighter; this product uses sodium ribonucleic acid, which tells your skin to repair existing damage. Genist

Sarah Chapman Skinesis Dynamic Defence, £42 Packed with rose and jasmine essential oils, this product smells amazing and is great for sensitive skin in need of a little lift.

Sundari Omega 3+ and Amalaki Night Cream, £49 Rich and luxurious, a heavy mix of omega-3s and vitamins will guarantee you wake up with fresh, hydrated skin.

Dior Capture Totale Haute Nutrition Multi-Perfection Rich Crème, £96.50 Total luxury: A facial-scented treat containing three oils, including sweet almond to soothe unhappy skin.

Le Vin Face Cream, £77 New luxury brand Le Vin combines organic ingredients with scientific formulations using vine extracts. Essential oils are blended with a vitamin-rich complex of grape seeds.

Lancôme Rénergie Retif, £54.50 This intense dose of Lancôme's anti-ageing technology is the perfect quick-fix skin saviour. It contains allantoin, known for strengthening and supporting.

Silksh pillowcase, £35 Help your skin retain the goodness from your creams by investing in a silk pillowcase - unlike cotton, it won't absorb moisture from your skin while you sleep.

Nivea Pericome MD Super Berry Powder, £42 Drink your way to great skin! Powerful antioxidants, such as blueberries and acai berries, ensure skin is nourished from the inside out.

Mulberry Fair Juice, £3.29 Far more than one of your five-a-days. This juice contains mulberry, which is proven to contain more antioxidants than blueberries or cranberries. From Walpole and Selfridges.

HOLISTIC

Must Organic Matcha Tea, £25 Gaze from lines a thing of the past. Matcha contains 15 times more nutrients than green tea, plus amino acids, which are known to reduce stress.
